*Please be aware that our food may contain or come into contact with common allergens, such as eggs, wheat, soybeans, tree nuts, peanuts or fish. While we take steps to minimize risk and safely handle the foods that contain potential allergens, please be advised that cross contamination may occur, as factors beyond our reasonable control may alter the formulations of the food we serve, or manufacturers may change their formulations without our knowledge. Consuming raw or undercooked meats, poultry, seafood or eggs may increase your risk of food borne illness*

We believe that our employees should be paid a fair living wage without having to rely on the unpredictability of receiving tips. As such we do not apply a tip credit to our food service workers' wages and our staff is compensated at rates that far exceed industry average. To make this change, we have increased our menu prices in order to provide these raises to our staff. No portion of the increased prices should be considered to be gratuities that are distributed to food service workers as a gratuity
